## Systech Environmental Corporation

### RCRA Draft Permit Renewal 2019

EPA ID #KSD980633259

This Administrative Record Index provides a list of documents that form the basis of the Kansas Department of Health and Environment (KDHE) decision to renew the Hazardous Waste Management Facility Permit and support the permit conditions specified in the Draft Permit for the Systech Environmental Corporation located in Fredonia, Kansas. All documents that establish the Administrative Record are listed in this Administrative Record Index and are available for review at the KDHE offices 1000 SW Jackson, Suite 320, Topeka, Kansas 66612. A subset of the complete Administrative Record that includes the Draft Permit, Fact Sheet, Permit Application, and other documents typically of interest to the public will be available for review during the scheduled public comment period August 2 thru September 16, 2019 at the KDHE Bureau of Waste Management website located at [http://www.kdheks.gov/waste/p\\_pubnot\\_hw.html](http://www.kdheks.gov/waste/p_pubnot_hw.html).

Administrative Record Documents available on the KDHE website are **Highlighted Yellow**.
